THE IMPOSING DEFENSIVE CASTLE AND THE HISTORIC FALCONRY CENTRE

Even during arrival, you will be able to feel just how special this 11th century defensive castle really is. On its majestic throne against the backdrop of the Salzburg mountains, it exudes a magical fascination for its visitors. Not surprising, then, that the castle has repeatedly been used in films (e.g. »Where Eagles Dare«, »The Man in the High Castle« and many others). Your customers will also be unable to resist its charm. When you reach the traditional castle bailey, you will be transported to a different time. Together with castle guides in historical garb, you can explore the inside of the castle and its torture chamber and high bell tower. Or you can make your way straight to the meadow reserved for birds of prey, to watch them rise up into the air and perform impressive stunts. In addition to the numerous themed special exhibitions, the fascinating exhibition »The Myth of Jackl – Witches and Wizards in Salzburg« will introduce you to a magical and incredible world. Valuable historic exhibits as well as interactive installations, like the 3D hologram production of a witch trial, make this exhibition unique. Or how about attending an event in the castle bailey or the castle taproom or even in other, truly extraordinary locations?

CULTURAL HISTORY CAMPAIGN CREATING AN IRRESISTIBLE ATTRACTION

An official document from around 1350 first calls this area Chniepoz. In 1621, during the Thirty Years War, Archbishop Paris Lodron expanded Chniepoz into a walled fortress. This defensive castle from the 17th century, situated in Unken an der Saalach, is currently being lovingly restored and expanded to create an exciting new location for culture, adventure and culinary pleasures. A fascinating interactive exhibition on the topic of »Boundaries – Boundless«, including a themed route, will also be installed, as will a unique exciting slide – from the castle bailey into the valley. This 30-second slide will guarantee absolute action and will no doubt be a special highlight for your customers. And, above all, the Alpine Deli will present its special take on regional cuisine and will boast a separate indoor play area for children, leaving you to make highly tailored travel plans. Prepare to be astonished from 2023 and include this culture and action highlight in your plan.

THE OVERALL CONCEPT WILL CREATE A

WHICH WILL BE VISIBLE FAR BEYOND THIS REGION.
